

# Scouting Safety Permits

When you've satisfied your Troop Scouter or Troop Councillor that you've learned the necessary skills and possess a responsible attitude to use these tools safely, he or she will sign your permit and award it to you.

Try to earn all four permits. They'll make you a safer camper.

Read the permit carefully, and always adhere to the safety guidelines. After all, you've given your Scouting promise!

## Knife Permit

This is to certify that Scout \_\_\_\_\_

\_\_\_\_\_ knows that owning and using a knife creates responsibility.

This is understood and acknowledged. In consideration of the above, the Scout is hereby granted the right to carry and use a knife within Scouting.

## On my honour, I promise that I will:

- Read and follow information in *The Fieldbook for Canadian Scouting* concerning the safe use of a knife;
- Demonstrate proper handling, care and use of a knife at all times; and
- Carry this permit with me while I am carrying my knife.

I realize that this permit may be withdrawn  
if I fail to carry out the above requirements.
